

Thank you for renewing your Approved Provider status!

Renewing your Approved Provider status lets the profession know that you are dedicated to the highest standards of continuing education.

Enclosed is your new certificate that signifies that you are an Approved Provider. In addition, your digital badge will be updated to indicate your new expiration date. If you have not been using your digital badge and need assistance adding it to your website, social media pages or email signature, please access our instructions at <https://www.ncbtmb.org/digital-badging/>.

As an organization led by massage therapists and educators like yourself, we work hard to foster a community of which we can all be proud. We will continue to work on your behalf to promote the value of Approved Providers to the profession.

Be sure to update your profile with your website so that it helps students find you through the NCBTMB directory. Don't forget to follow our pages on Facebook, LinkedIn and Instagram and visit our website at www.ncbtmb.org. If you need any assistance, please don't hesitate to contact us at ce@ncbtmb.org.

Congratulations, we are so pleased that you remain part of our Approved Provider community.

Best Regards,
